

# PAXSTORE

## L'outil de gestion de vos terminaux bancaires Android !

Grâce à PAXSTORE, vous pouvez déployer, initialiser, configurer et surveiller votre parc de TPE, TPA et TPV au moyen d'un portail web moderne et intuitif.

### Gestion des terminaux bancaires

- Visualisation et inventaire du parc
- Classement par groupes et enseignes
- Activation et désactivation des machines
- Visualisation des terminaux connectés & déconnectés

The screenshot shows a table of installed terminals with columns for Terminal Name, SN, Model, Version, and Install Time. Below the table is a detailed view of a terminal named 'TEST', showing its status as 'Online(IW)', SN '0821092571', Model 'A920', Version '1.1.16', and Install Time '2019-07-18 13:08'. To the right, there are sections for 'Clients' (with 'A. Classer CC' and 'A. Classer STD') and 'Tests'.

### Gestion des applications

- Installations, et mises à jour à distance
- Etat du parc TPE, TPA, TPV et des versions
- Campagnes et planifications des évolutions
- Gestion des versions d'OS ANDROID système

The screenshot shows a table of installed apps with columns for App, Size, Install Time, and Type & Action. Below the table is a detailed view of the 'Payment' app, showing its version '1.1.17', size '8MB', and install time '2020-09-10 15:22'. To the right, there are sections for 'Push Content' (with a 'Payment' entry) and 'Payment App Detail' (with details like Status 'Online', Version '1.1.22', Model 'A90', and Type 'Standard App').

### Gestion des utilisateurs

- Profils de visualisation
- Profils de gestion & administration

The screenshot shows a user list with three entries: 'EDOUARD' (e.gubien@planet-monetic.fr), 'Evan' (e.philippon@planet-monetic.fr), and 'Florent BONIFACE' (f.boniface@planet-monetic.fr). To the right, a 'Create Role' dialog is open, showing a 'Privileges' section with checkboxes for 'Monitoring', 'Task', 'Management', and 'System'. Below the checkboxes are buttons for 'Dashboard', 'Terminal Configuration', 'Firmware Update', 'General Settings', and 'User Management'.
